

The right to withdraw

We respect parents and guardians legal right to withdraw their child from Religious Education and World Views (REWV).

Should a parent/guardian formally request that their child be withdrawn from REWV, we will endeavour to communicate clearly the place of this subject within a broad and balanced curriculum to ensure that they are in possession of all the necessary information before confirming their decision in writing. **However, we will not attempt to persuade them to alter their decision.**

We will discuss with parents/guardians how best to accommodate the withdrawal, while maintaining the child's safety and wellbeing. Schools are **not** required to provide alternative teaching during this time.
