

Student Bulletin - 23rd March 2026 - Week A

Book of the Week

The Accidental Prime Minister by Tom McLaughlin

Sanguine - optimistic or positive, particularly in an apparently bad or difficult situation (thanks to Amber, Year 9, for choosing the word and updating the board).

When Joe tells a local news reporter exactly what he would do if he were leader of the country, the video goes viral and Joe's speech becomes famous all over the world! Before long, people are calling for the current leader to resign and give someone else a go . . . and that's how an ordinary boy like Joe ended up with the most extraordinary job. Now the fun can really start . . . Hats for cats! Pet pigs for all! Banana shaped buses! Swimming pools on trains! A hilarious story of one boy's meteoric rise to power!

News from MFL

Latin Club is still on! Wednesday after school 15:00-16:15 in G4. This has been an amazing opportunity for the students participating. We have really analysed grammar which has benefited our English, learnt the routes of many English words, learnt facts about the Roman culture and Roman mythology. A huge thank you to Mrs Blanco for giving up her time to teaching us.

Year 11 revision sessions: These are available after school both weeks on Monday and Friday.

We will be focussing on tenses and using different tenses to answer written questions. Like any subject it is only by practising that we get good at something. Mrs Woods
