Altruistic: selfless; showing concern for the well-being of others

Ten Tor Training

The Ten Tors group had a busy Easter training on Dartmoor over the weekends of 28th/29th March and 11th/12th April. The weather has been challenging at times but they have all shown great resilience. We only have one more training weekend; The Dress Rehearsal on the weekend of 25th/26th April.

What if it was every day? This is the story of Sam Green, who really, really, really loves birthdays. He loves the special breakfasts in bed. The presents. The themed parties. Blowing out the candles on his cake. Everything. He is so excited about his 11th birthday, in fact, that he wishes it was his birthday every day. So, at first, it's quite exciting when his birthday happens again the next morning. And again. And again. And again... But it's not long before things start to go wrong. Soon, disaster strikes, threatening something Sam loves even more than birthdays. Sometimes you have to be careful what you wish for...

Poem of the Week

Wild Geese | Mary Oliver

You do not have to be good.

You do not have to walk on your knees

For a hundred miles through the desert, repenting.

You only have to let the soft animal of your body
love what it loves.

Tell me about despair, yours, and I will tell you mine.

Meanwhile the world goes on.

Meanwhile the sun and the clear pebbles of the rain
are moving across the landscapes,
over the prairies and the deep trees,
the mountains and the rivers.

Meanwhile the wild geese, high in the clean blue air,
are heading home again.

Whoever you are, no matter how lonely,
the world offers itself to your imagination,
calls to you like the wild geese, harsh and exciting —
over and over announcing your place
in the family of things.
