Thursday 25th June - Chicken / vegetable paella / choice of accompaniment

Book of the Week

The Science Book: Big Ideas Simply Explained (Dorling Kindersley)

The Science Book explores how scientists have sought to explain our world and the universe, and how scientific discoveries have been made.

This book on science and the history of science looks at topics such as why Copernicus's ideas were contentious, how Galileo worked out his theories on motion and inertia, and what the discovery of DNA meant. The Science Book covers every area of science--astronomy, biology, chemistry, geology, math, and physics, and brings the greatest scientific ideas to life with fascinating text, quirky graphics, and pithy quotes.

Poem of the Week

The Footballer's Prayer

Our team

Which art eleven

Hallowed be thy game

Our match be won

Their score be none

On turf as we score at least seven

Give us today no daily red ... card

And forgive us our lost passes

As we forgive those Who lose passes

against us

Lead us not into retaliation

And deliver us from penalties

For three is the kick off

The power and scorer

For ever and ever

Full time

Gardening Club

Please meet at 3pm outside Mr West's office on a Monday for gardening club. Please bring some trainers or old shoes to change into and a coat if it is cold. See you there! Mr West

- ✓ No experience needed
- ✓ Open to all year groups
- ✓ Friendly and welcoming atmosphere
- ✓ Just turn up and give it a go!

Miss Norton and Miss Goodliff run the club, and even if you didn't come last week, you're still very welcome to join us and see what it's all about.

The more people who come, the more we can do, including games, team challenges and rugby activities!

So, grab your boots, bring your friends, and come and get stuck in!

Everyone is welcome! Miss Goodliff

Sports Clubs on Thursdays

Rounders Club 3pm - 4pm

Netball Club 4pm - 5pm

Meet outside PE Department

News from the MFL Department

Year 10

As we build toward your speaking exams week of the 29th June, I can offer help and preparation sessions on Monday and Friday from 3:15pm - 4:30pm.

Trip to Normandy

If you were unable to attend the parental meeting on Wednesday 17th June, please look out for an e-mail with the powerpoint. I will also be phoning you independently to ensure that you have all the information you need.

Latin Club

It is still going every Wednesday after school. Students are now speaking in Latin and have a precise knowledge of the many stories around Paris.

Year 7 96.0%

Year 8 91.4%

Year 9 91.1%

Year 10 89.1%

Mellifluous: sweet, smooth and pleasant to listen to.

Astronomy Club - Year 10. Year 11 & 6th Form
Tuesday afterschool 3pm - 4pm in S4 - Open to
Year 10, Year 11 & 6th Form. If anyone is
interested please ask Mrs Fennell
