Step-by-step photographs take you through the essential techniques with 70 creative crochet projects to try including cushions and gorgeous gifts.

In between end of year exams Mr Pallett and Mr Morris's yr 9 groups have been tasked with creating a response to Cubism. Picasso was heavily inspired by African art and mark making. Later in his career his work appeared more colourful and 'synthetic cubism' developed. Well done Year 9!

Poem of the Week

Sonnet 18: Shall I compare thee to a summer's day?

By William Shakespeare

Shall I compare thee to a summer's day?
Thou art more lovely and more temperate:
Rough winds do shake the darling buds of May,
And summer's lease hath all too short a date;
Sometime too hot the eye of heaven shines,
And often is his gold complexion dimm'd;
And every fair from fair sometime declines,
By chance or nature's changing course untrimm'd;
But thy eternal summer shall not fade,
Nor lose possession of that fair thou ow'st;
Nor shall death brag thou wander'st in his shade,
When in eternal lines to time thou grow'st:
So long as men can breathe or eyes can see,
So long lives this, and this gives life to thee.
