

Student Bulletin - 21st September 2026 - Week A

Meet our new members of the HUB team, Ginny and Belle. Although they are very anxious at the moment it won't be long before they will be ready to meet you all. At the moment they are hiding under the hay in the hub. If anyone would like to contribute to their healthy treat stock or nuggets (Burgess Excel) that would be amazing. Thank you from the HUB..

Don't forget your water bottles especially for the days you have PE

Book of the Week

The 1000 year old Boy by Ross Welford

There are stories about people who want to live forever. This is not one of those stories. This is a story about someone who wants to stop... Alfie Monk is like any other nearly teenage boy – except he's 1,000 years old and can remember the last Viking invasion of England. Obviously no one believes him. So when everything Alfie knows and loves is destroyed in a fire, and the modern world comes crashing in, Alfie embarks on a mission to find friendship, acceptance, and a different way to live ... which means finding a way to make sure he will eventually die.

Petrichor: the smell that frequently accompanies the first rain after a period of warm weather.

WEDNESDAY LUNCHTIME IN THE LIBRARY

The Not-So-Secret Book Club, where we meet, chat about books, maybe eat biscuits and generally have a lovely, literary time. Please eat your lunch first. Mrs Fitz

News from MFL

Our Latin club started this week, we welcomed back old faces and it was lovely to see all the new faces. Latin club takes place every Wednesday after school in G4 from 3:15pm to 4:15pm. If your child would like to join, please can you complete the survey which was sent out via an e-mail last week.

French after school revision for Year 11. These sessions are taking place after school on Monday and Friday week commencing 21st September, the focus is on answering a four bullet question and how to plan before writing. Mrs Woods.

Gardening Club

Please meet Mr West by the garden at 3:05pm every Monday. There's lots of prep to do for next year's floral and vegetable displays, so all help is welcome!

Astronomy Club

This club is for Year 9 through to Year 13. The first meeting will be starting on Wednesday 7th October from 3pm-4pm in S4 and then the first Wednesday of the month thereafter. If you have any questions, please see Mrs Fennell, Senior Lab Technician
